ReVive Pro

Advanced Peptide Renewal Lotion | Available in 2 Sizes

Travel Size 2 fl oz (59.14 mL) | Full Size 10 fl oz (295 mL)

ReVive Pro Advanced Peptide Renewal Lotion is a professional strength hand therapy treatment designed for hardworking hands. This fast-absorbing, glove-friendly formula helps repair, protect, and deeply hydrate dry skin. Advanced peptides support collagen and elastin production for firmer, smoother, more resilient skin, while ceramides help restore the moisture barrier and reduce dryness, itching, and irritation.

Features & Benefits

- Fast-absorbing, glove-friendly finish
- Deep hydration with hyaluronic acid
- Supports skin barrier with ceramides
- Peptide-powered renewal
- Helps improve firmness and smoothness
- Repairs, protects, and deeply hydrates
- Helps reduce dryness, itching, and irritation
- Ideal for hardworking hands
