

POWERFUL QUIET SAFE INNOVATIVE

## **Key Features**

The well-designed and precisely-manufactured Maxso X200X delivers an extraordinary torque of **27 watts** ensuring accurate cutting. This handpiece is equipped with specially-designed X ball bearings for quieter sound and longer life. It also possesses instant-stop capability (IS Tech) effectively reducing noise and eliminating backflow. In addition to four specially-positioned water ports guaranteeing optimal cooling, it has an all-new Fiber Optic\* that provides a larger and brighter light pattern, enabling clinicians with a clearer operative field. The Maxso X200X also comes with an extended **25 month warranty**.
