

VioNexus™ No-Rinse Spray

Antiseptic Handwash

Eliminates germs, while caring for your skin.

VioNexus No-Rinse Spray Antiseptic Handwash is a moisturizing waterless skin sanitizer. The 72% v/v ethanol formula contains emollients and is recommended for repeated use. Repeated applications of VioNexus No-Rinse Spray Antiseptic Handwash enhance antimicrobial effects while moisturizing and soothing the skin. When dispensed using the No-Touch Dispenser, it virtually eliminates cross-contamination while relieving over-stressed hands. Latex compatible.

Features & Benefits

- Meets CDC Guidelines for Hand Hygiene in Healthcare Settings
- Kills 99% of germs and cleans skin without running water¹
- Contains 72% v/v ethanol, killing germs in seconds
- Emollients help prevent dry, irritated skin and leave hands feeling soft
- No water or towels needed, eliminating cross contamination
- Fast drying for quick donning of gloves
- Complies with FDA final monograph on health care antiseptics
