

PRODUCT IDENTIFICATION		Recovery:	
Trade Name:		Collect in a suitable container for disposal	
VPS Impression Material		Cleaning / Decontamination:	
Supplier:		Wipe up affected area with absorbent material	
- Name CARGUS INTERNATIONAL, INC.		Disposal:	
- Address 135 North Route 9W Congers, New York 10920		Dispose of material in accordance with local, state and federal equipments	
- Telephone 845-267-2600		HANDLING AND STORAGE	
- Fax 845-510-3191		Handling:	
Date:		Does not require specific technical measures. Note that handling with latex or rubber gloves may inhibit set. Use only vinyl gloves.	
09/21/2010		Storage:	
COMPOSITION INFORMATION		- Containers: Store in supplied packaging	
Chemical Family:		- Incompatibilities: Strong oxidizing agents	
ADDITION SILICONE (VINYL TERMINIATED POLYSILOXANE)		- Conditions: Store away from heat sources. Temperature will affect set time	
Hazardous components:		CONTROL MEASURES	
NONE		Engineering controls:	
PHYSICAL AND CHEMICAL PROPERTIES		None required	
Aspect:		Personal protective equipment:	
- Color: As specified		- Hand protection: None required	
- Physical state: Viscous fluid		- Eye protection: None required	
Odor:		STABILITY AND REACTIVITY	
Odorless		Stability:	
pH:		Stable	
Not applicable		Dangerous reactions:	
Flash point:		- Hazardous decomposition products: None to our knowledge	
> 450 °F (material will ash)		- Materials to avoid: No dangerous reaction known	
Boiling point:		ECOLOGICAL INFORMATION	
> 150 °C		Environmental fate:	
Vapor pressure:		No data available	
< 5 mm Hg @ 25 °C		Degradability:	
Crystallization point:		Non-biodegradable	
Not applicable		Exotoxicity:	
Specific gravity:		- impact on aquatic environment: No data available. No affect anticipated	
> 1		DISPOSAL CONSIDERATIONS	
Solubility:		Product residues:	
Insoluble in water		- Destruction / elimination: Dispose in accordance with federal, state and local regulations	
Volatile part by weight:		- Prohibition: None specifically	
None volatile		Used packaging:	
n-octanol partition coefficient:		- Destruction / elimination: Dispose in accordance with federal, state and local regulations	
Not applicable		- Decontamination / washing: None applicable	
HAZARDS IDENTIFICATION		TRANSPORT INFORMATION	
Adverse health effects:		Ground transportation:	
Non-irritant for skin slight irritant for eyes		- Not regulated	
Physical and chemical hazards:		Sea transportation:	
NONE		- Not regulated	
Hazard classification:		Air transportation:	
Non hazardous		- Not regulated	
FIRST AID MEASURES		REGULATORY INFORMATION	
Inhalation:		Federal:	
Not applicable		- Sara title III section 313: This product does not contain any substance subject to responding requirements at or above de minimis quantities	
Skin contact:		- TSCA: All components are either listed or otherwise comply with requirements	
Not applicable		International:	
Eye contact:		- DSL (Canada): All ingredients are listed on the Canadian Domestic Substance List (DSL)	
Flush immediately with plenty of water. If irritation persists, see eye doctor.		- WHMIS (Canada): Not a "controlled product" under the Canadian Workplace Hazardous Materials Information System (WHMIS)	
Ingestion:		OTHER INFORMATION	
Small quantities will pass through system. Consult a physician		Recommended use:	
FIRE-FIGHTING METHODS		See technical data sheet	
Extinguishing media:		Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user.	
- Unsuitable: NONE		The health and safety information contained in this MSDS should be provided to all employees or customers who may encounter our product.	
- Appropriate: Waterspray, Foam, Powder, Carbon dioxide			
Specific hazards:			
Material can burn generating irritating gases			
Specific intervention methods:			
Appropriate protective equipment must be worn in case of fire			
TOXICOLOGICAL INFORMATION			
Acute toxicity:			
Non-toxic			
Local effects:			
Eye irritant			
ACCIDENTAL RELEASE MEASURES
