

MARK3TM
THE SMART ALTERNATIVE

Stainless Steel

K-Files

APPLICATION:

Made with a diamond-shaped cross-section to clean out obstructions with great ease, giving operators a smooth tactile sense inside the root canal.

EFFICIENCY:

Flexible, strong and sharp instruments that resist fracture. Made of the finest 18/8 stainless steel. Manufactured with quality controlled machinery for precision.

SILICONE STOP:

Premounted Silicone Stops on each file.

FIRM GRASP:

Peanut shaped handles with ribbed texture provide tactile feel and a positive grip. Safety eye is easily threaded for additional protection.

COLOR CODED:

Colored Handles provide ease of size recognition.

CERTIFICATION:

CE and FDA certified, and passed quality system tests.

The MARK3 line was created to provide you with high quality products that are priced to save you money in this challenging economy.
